USE RESTRICTIONS

20 Years affordable housing. _____ Years rent cap protection for _____ residents.

TENANT BASED SECTION 8

Housing choice vouchers will be issued to eligible residents of the complex by the public housing agency (PHA), Chicago Housing Authority, selected to administer the voucher assistance by HUD. Housing choice vouchers are tenant-based assistance. Tenant-based assistance means that the subsidy follows the program participant and is not attached or connected to a specific project or unit. Therefore, the voucher assistance should never be considered a form of guaranteed rental subsidy for the property. The families are not obligated to use the housing choice vouchers at the property. Therefore, there will be no project-based subsidy at this property.

In addition, the processing of the voucher funding and the determination of family eligibility by the PHA may take several months following the closing of the sale. The PHA must also determine the owner's rent is reasonable and the unit meets the housing quality standards of the housing choice voucher program. If the rent is determined not to be reasonable in comparison to similar unassisted units in the market area, the family will have to move to receive voucher assistance. Voucher housing assistance payments for a unit may not under any circumstances cover any period before the date the PHA determines the unit meets the housing quality standards. Since the owner will not receive voucher housing assistance payments or increase the tenant's share of the rent during this period, bidders should take into consideration the time that may be necessary for voucher funding to become available, the PHA to determine family and unit eligibility, and the owner to complete any needed repairs when making an offer.
